Dear Erica,

You are awesome. We loved the books that you wrote and read to us. We liked hearing how you got your ideas.

We loved how you sang the song of *Ninety-Three in My Family*. Our favorite part of that book was when the penguin was doing the turn signals.

*Chicken Bedtime is Really Early* was crazy. We loved how one of the chickens ran away from his bath on the cover.

Have a happy time in spring and summer!

Love,

The Harbor School's First Grade
